Vendors Needed for the 2nd Annual Early Years Expo!

(Bel Air, MD) - - The Harford County Department of Community Services Local Management Board, in collaboration with the Early Childhood Roundtable, is seeking vendors for *The Early Years Expo*, an early childhood resource fair which will be held Saturday, April 14, 2012 from 9:00 a.m. to 1:00 p.m. at Abingdon Elementary School, 399 Singer Road in Abingdon.

The Early Years Expo is for local families with children ages birth to five years to learn about a wealth of early childhood related opportunities that exist in Harford County. *The Early Years Expo* will feature information on resources, products and services as well as activities for kids.

This event is free and open to the public.

The Department of Community Services Local Management Board strives to educate families about community resources and make the lineage between valuable services and the families they exist to serve. The better connected that families are to community resources, the more likely children will be provided with the building blocks of early childhood development.

Vendor Registration is due by March 15. Vendor Registration forms are available at <http://www.harfordcountymd.gov/services/community/doc/1592.pdf>. Vendors will be given the option of purchasing a table and ad space in the event program (*see Vendor Registration Form for details*).

Event sponsorship opportunities are also available. For more information, contact 410-638-3389.
